

Dear Stough Families,

Welcome back to an especially exciting year at Stough! We are very “proud at Stough” of our students’ academic achievements, students’ accountability and ownership in learning, parent/family involvement, and supportive teachers and staff.

It is our hope that the Parent and Student Handbook will be helpful throughout the year in knowing the procedures and “what to do” at Stough. Topics have been arranged in alphabetical order for easy reference. Along with the Stough Handbook is the WCPSS Student/Parent Handbook. Please read both of these booklets as they have important policies and information. You will need to sign and return the Verification Agreement Form to the classroom teacher after reading and talking with your child about our rules and procedures.

Congratulations on joining an excellent elementary school family and community where together we make a difference. We look forward to seeing and working with you and your children in the coming school year.
